About Us

- EPFO ranks among the globe's premier Social Security Organizations, distinguished by its vast clientele and the magnitude of financial transactions it manages. At present it maintains 29.88 crore accounts ([Annual Report 2022-23](#)) pertaining to its members.
- The inception of the Employees' Provident Fund dates back to the enactment of the [Employees' Provident Funds Ordinance](#) on November 15, 1951, which was subsequently replaced by the Employees' Provident Funds Act of 1952. This legislative journey began with the introduction of the [Employees' Provident Funds Bill](#) in Parliament as Bill Number 15 of 1952, aimed at establishing provident funds for employees across factories and other establishments. Over time, this legislation evolved into the [Employees' Provident Funds & Miscellaneous Provisions Act of 1952](#), applicable nationwide in India.
- The administration of this Act and its associated schemes falls under the purview of a tripartite body known as the [Central Board of Trustees \(CBT\)](#), Employees' Provident Fund. The CBT comprises representatives from various sectors, including the Government, employers, and employees.
- The CBT administers the Employees' Provident Fund Scheme, 1952, and the Employees' Pension Scheme, 1952.
