About Dadra Nagar Haveli

Dadra and Nagar Haveli lies near the western coast of India and consists of two separate parts. Of these, Dadra is surrounded by the state of Gujarat, and Nagar Haveli lies on the border of Maharashtra and Gujarat. The territory has hilly terrain especially towards the north-east and east where it is surrounded by ranges of Sahyadri Mountains (Western Ghats). River Daman Ganga and its three tributaries cut across this territory. The most prominent tribes are Dhodia, Kokna and Varli, with small groups of Koli, Kathodi, Naika and Dubla scattered across the territory. On 11 August 1961, it became a part of the India and was announced to be a Union Territory.As it shares borders with both Gujarat and Maharashtra, the languages spoken here are Gujarati, Dhodia, Varli, Hindi, Marathi, Konkani, Bhilodi and Bhili.
